## FAWCO Biennial Conference 2017

Sunday, April 2, 2017

What an inspiring Conference this has been! Saturday was a day for new news: FAWCO has a new Target Project and a new online magazine, *Inspiring Women*. The Global Issues Task Forces have a new name, the Global Issues Teams, and they had a chance to present their work in one seamless session, demonstrating how so much of FAWCO's work fits together. FAWCO Youth has an exciting new module for regional cooperation. The US Issues team presented from Mumbai, Bordeaux and Copenhagen experimenting with Skype. And The FAWCO Foundation's 50th Anniversary celebration, "Heart of Gold", was a glittering success. Read a few highlights in the PDF linked below.

Newsletter Editor Randi Debourg and I hope you have enjoyed these daily highlights and that you'll share them with your clubs when you return home. Enjoy the last day of this wonderful 43rd Biennial!
